

## Sustainability Goals

We are proud to announce the following Sustainability Goals at Avient. We commit to each of these objectives and will aggressively pursue their attainment through internal rigor, investment and innovation. The positive impact of our progress and ultimate achievement will benefit the planet and the people of the world, while at the same time adding value to Avient's customers, communities, associates and shareholders.

---

### **By 2030, Avient will enable 100% of our products manufactured for packaging applications to be recyclable or reusable to advance the circular economy.**

Current:

- Approximately 90% of Avient's products met this criteria in 2019.
- Avient supports the Plastics Europe and American Chemistry Council commitments to enable plastics packaging to be 100% re-used, recycled or recovered by 2040.
- It is estimated that 9% of the world's plastic is recycled by end users.

---

### **By 2030, 100% of Avient's technology platform projects will deliver sustainable solutions that enable our customers' innovation goals.**

Current:

- 62% of our technology projects in 2019 were related to sustainable solutions.

---

### **By 2030, Avient will reduce Scope 1 & 2 greenhouse gas emissions by 35% with 2019 as a baseline.**

Current:

- In 2019, Avient Scope 1 & 2 GHG emissions totaled 100,194 MT.

---

### **By 2030, Avient will reduce waste to landfill by 35% from the 2019 baseline.**

Current:

- 2019 Waste to Landfill was 7,041 MT.

---

### **By 2030, Avient will obtain directly or contract for 40% of its electricity demand from renewable sources.**

Current:

- 0.69% of Avient's electricity demand is from renewable sources in 2019.
- Approximately 20% will be contractually supported with Virtual Power Agreement from solar energy production in 2021.

---

### **By 2030, to ensure alignment with Avient's expectations on environmental, social and governance requirements, Avient will assess its top suppliers representing 90% of our total raw material costs.**

Current:

- 30% will be assessed by the end of 2020.

---

**As a founding member of the Alliance to End Plastic Waste, Avient will collaborate to develop and implement solutions to end plastic waste with approximately 50 members across the value chain. The Alliance will invest \$1.5 billion over five years in innovation, infrastructure, education and clean-up.**
