

Community Service

Our community service work extends well beyond our important clean-up efforts. In fact, we provide every Avient associate 16 hours of paid time off each year to volunteer for a cause they are most passionate about. 2019 saw our employees giving of their time and talents around the world to help build libraries, mentor youth, organize blood drives, and teach financial literacy skills, just to name a few.

In addition, numerous leaders in our company serve on non-profit Boards of Trustees, helping them toward sustainability in their operations and mission to serve.

These endeavors, as well as our charitable contributions, are focused on helping the underserved and more challenged neighborhoods which include communities with diverse populations.

Charitable Contributions

United Way remains our largest philanthropic endeavor, and our associates continue to give generously. Since 2006, we have raised more than \$14 million for United Way chapters throughout North America. In addition we contributed to many non-profit organizations where we have associates who serve on Boards, or that have been determined to be of need in the local communities around the world where we operate.

Political Contributions

Avient does not fund political parties or members of government. In the United States, employees at Avient have made use of their right to establish a Political Action Committee (PAC), which is a voluntary, federally registered employee association that collects donations for political purposes and decides how these are used, in accordance with U.S. law.
