TIER 2 SUPPLIER INTERIOR TRAYS

AVIENT SOLUTION

OnFlex™ S EH 80A-3S7005 Thermoplastic Elastomer

WHY AVIENT?

- Enabled easier processing than the incumbent TPE-v
- Eliminated pre-drying step and delivered pre-colored material, improving process efficiencies
- Met needs for low fogging (≤2 mg) and low odor (≤3.0) with low gloss finish

KEY REQUIREMENTS

- A low FOG material with low odor
- Low gloss finish
- Easy processability

MEETS VIAQ STANDARDS
