

SELF-LUBRICATED + DIMENSIONAL STABILITY

AUTO-INJECTOR PEN OEM

PLUNGER SCREW

AVIENT SOLUTION

LubriOne™ Internally Lubricated Formulation

WHY AVIENT?

- Formulated a self-lubricating material to meet injection accuracy requirement
- Improved the user experience by improving injector's wear resistance
- Achieved consistent dimensional stability and properties

LEARN MORE

KEY REQUIREMENTS

- Reduce friction and improve durability
- Good strength and stiffness
- Dimensional stability
