

BRIAN SCHILF

Vice President, Chief Information Officer

Brian Schilf is Vice President, Chief Information Officer at Avient Corporation, a premier provider of specialized and sustainable material solutions and services.

In this role, he is responsible for delivering value through infrastructure operations, applications operations, global IT support and critical M&A systems integration.

Mr. Schilf began his career with Avient in 2001 as a Senior SAP Specialist and has held positions of increasing responsibility during his tenure at Avient.

Mr. Schilf is an alumnus of Avient's inaugural Lean Six Sigma Black Belt class and NextGen programs.

Prior to joining Avient, Mr. Schilf spent several years at Accenture in several IT and business consulting positions. Additionally, he worked for Moore Wallace.

Mr. Schilf earned a Bachelor's degree in Chemical Engineering from Cornell University and a Master's of Engineering from The Ohio State University.
