

## **NELLO RIZZO**

### **Senior Vice President, Global Supply Chain**

Nello Rizzo is Senior Vice President, Global Supply Chain for Avient Corporation, an innovator of materials solutions that help customers succeed while enabling a sustainable world.

Mr. Rizzo leads the company's global operations organization including manufacturing, environmental health and safety, global sourcing and logistics, and Lean Six Sigma training and deployment.

Mr. Rizzo joined Avient in January 2026 from Momentive Performance Materials, where he served as Senior Vice President and Chief Supply Chain Officer since 2014. At Momentive, he led end-to-end global supply chain and held prior roles including Vice President of Global Supply Chain and Global Operations Senior Director, Additives. Earlier in his career, Mr. Rizzo spent 12 years at PPG Industries in operations and EH&S leadership roles and held positions at 3M, ENEL SpA, and ThyssenKrupp.

Mr. Rizzo is a Lean Six Sigma Black Belt. He holds a Master of Science in Chemical Engineering from Università degli Studi di Napoli Federico II and an Executive MBA from the University of Pittsburgh.
