EMERGENCY OVERVIEW

This mixture has not been evaluated as a whole. All ingredients are bound and potential for hazardous exposure as shipped is minimal. However, some fumes may be released upon heating or crosslinking and the end-user (fabricator) must take the necessary precautions (mechanical ventilation, respiratory protection, etc.) to protect his employee from exposure. See Sections 3 and 11 for special precautions.

POTENTIAL HEALTH EFFECTS

| Resin particles, like other inert materials, can be mechanically irritating. |
|---|
| May be harmful if swallowed. |
| Resin particles, like other inert materials, are mechanically irritating to eyes. |
